

Recommendations for the Agenda and Materials for the Second Meeting of the Task Force

Agenda Recommendations

1. Discussion on coordination between the reforms of the social safety net and the district heating reforms.
2. Discussion on four documents prepared by the advisors to the Task Force:
 - Draft Charter of the Task Force
 - Draft description of the Secretariat to the Task Force
 - Recommendations on involving stakeholders in the reform process
 - Draft Concept of the District Heating Reform Strategy
3. Update on the work of the technical working groups.
4. Coordination on building energy codes to improve energy efficiency in residential buildings.
5. Discussion on potential additional Task Force members (including the Association of Ukrainian Cities and a representative of the Rada Committee on Construction, Residential-Communal Services and Regional Policies)

The materials referenced above under item 2 are attached. Ukrainian translations of all the documents will be provided by the first week in September.
